Some of the best talent will be heard as soloists in the oratorio "Emanuel" at the Asbury church April 8th.

The Easter oratorio, "Emanuel" is the talk of the town, and Asbury church will packed Monday April 8th.

The oratorio! The oratorio! April 8th! April 8th. Asbury church corner 11th and K streets Admission 25 cents.

Mr. Thomas Smith has just returned from visiting the Hampton Normal Trade School and the county school of Norfolk.

Mrs. Chas. E. Hall left for her home in Batavia, Ill., last week to attend the bedside of her father. She is expected home this week.

Miss Ella L. Jennings the private secretary of Lawyer E. M. Hewlett, is very ill with la grippe. She has taken a vacation to recuperate.

In the chorus of sixty voices for the oratorio, "Emanuel," the ladies will be beautifully attired in white, and the gentlemen in evening dress.

The many friends of Mrs. L. A. Anderson will be pleased to know that she is visiting her granddaughter, Mrs. A. H. Underdown of 320 Elm street Le Droit Park.

Nearly every church choir in Washington is represented in the chorus of the oratorio "Emanuel" which will be given Easter Monday evening at the Asbury church.

Mr. O. J. Stokes of Minneapolis, Minn., was one of the inauguration visitors. He is an old friend of the editor and manager of this paper and his stay in the capital city was most cordial and pleasant.

The Amphions have been solicited to repeat their concert and reception recently given at Grand Army Hall. If it is repeated, Odd Fellows Hall will likely be the place, and on or about May 1st, the date.

Persons had better secure their tickets in advance for the oratorio Easter Monday evening, for only a limited number will be sold. They may be secured now from the members of the chorus or from the director, Prof. Lewis.

The Amphions have acquired their old time proficiency and it was a delight to hear them in their recent concert. Their selections from the several operas were very appropriate, and created great enthusiasm. The Amphions are alright.

It is understood that after the oratorio, Mr. Lewis will devote his efforts toward another presentation of the opera "Pirates of Penzance" which was so highly praised last season. An organization of our most prominent citizens will serve as patrons and patronesses.

Mr. Robert Peltles of this city has just returned from a trip of five weeks to San Francisco, Cal. He accompanied Companies A. and B., 5th Infantry, this city, to the Presidium in California. He is delighted with his trip and would not object to making another one.

Prof. J. Henry Lewis has shown himself to be an all around musician. He conducts the famous Amphions; he organized and conducted the opera "Pirates of Penzance," and now he has the oratorio "Emanuel" well under way for Easter Monday evening, April 8th. What next.

\$1,000 REWARD.

His aid and advice has often been solicited; the result has always been the securing of speedy and happy marriages and all your wishes. In love affairs he never fails. It is the curse of Spiritualism that in all large cities there are a class of men and women who claim powers they do not possess. They have neither gifts, credentials, nor references. Surely the colored people are not so wanting in sense as to throw their time and money away on such. Dr. Shea refers to the Hon. Charles Miller, capitalist, 2481 Atlantic avenue; the Hon. William Denmore, architect and builder, 47 Cleveland avenue, and Mr. Arthur Sewell, ship builder, South Brooklyn. All have known him for the past ten years. He gives a free test of his power to all. The doctor has practiced five years in New Orleans, St. Louis, Memphis and Louisville, understands thoroughly the diseases, spells or influences the race is subject to. He has now and always had large patronage from them

Brooklyn, August 15, 1891—This letter is to certify that I came to New York from Albany. I was a stranger in a strange city, out of work and out of money. I had no luck in anything I undertook. What to do I did not know. A friend advised me to go and see Dr. Shea. I did. He told me the cause of my troubles; he took me in and treated me as a brother. Through him I got a good position that very week. I had been to others, they took my money and did me no good. I bless the day I first met Dr. Shea. I would advise all in bad luck, sick or in trouble to go to him at once,
Sincerely,
Albert Ayers,
2937 Atlantic Avenue.

Brooklyn, August 15, 1891—This letter is to certify that my husband had gone away and had been absent two years. I mourned for him night and day. I gave him up as dead. Hearing of the wonderful things Dr. Shea was doing I resolved to consult him. He told me that my husband was alive and well and where he was; told me he would come home and when. To my joy all of it came true. He is home now, came back like one from the dead. I also wish to say that this month I lost \$250. I am a poor woman and I was almost insane. I went to Dr. Shea and he told me I would find my money and to my intense joy I find it as he told me. I thank God there is a man so gifted in our midst, that can help people and tell them what to do,
Mrs. Mary Miller,

A SENSATION IN BROOKLYN—MINISTER'S STATEMENT

I wish to state that one of my parishioners was sick and in trouble for a long time, Mrs. Brown, 87 Gay street. No one seemed to understand her case. She had several doctors but none of them seemed to know what was the matter. None could do her any good. It was my duty as her pastor to call and see her. Hearing of the wonderful work being done by Dr. Shea the last few years, I thought I would call and see him myself. I found him a sympathetic gentleman. He gave me a wonderful test of his powers, told me to send him a lock of patient's hair, which I did by her daughter. He told at once what was the matter, and in a short time cured her sound and well. Her family had seemingly been under a cloud. Now all is changed. All are well and prosperous. I can truly and heartily recommend Dr. Shea, to all those in sickness or distress of any kind. Rev. William John-

son, pastor Lebanon church, Brooklyn.
